

NOTIFIED BODY - PRODUCT REVIEWER

**HOME-BASED ANYWHERE IN EUROPE WITH
LIMITED TRAVEL**

**DO YOU WANT TO OVERSEE THE NEWEST INNOVATIONS IN
MEDICAL TECHNOLOGY?**

HAVE YOU EVER THOUGHT ABOUT JOINING A NOTIFIED BODY?

THE COMPANY

We are offering a great chance for professional development in a mid sized notified body where you will have your voice heard and be more than just a number.

You can expect an excellent work-life balance, working from home.

The role is uniquely structured, so that that there is very limited travel. This notified body is growing its non-active device team, and this is your chance to be part of that!

As a product reviewer/auditor you will work to build up the notified body's non-active medical device business around the EU and ensure their reputation remains unrivalled. You will analyse and evaluate manufacturer's technical documentation relating to non-active medical devices.

Your primary responsibility is to aid manufacturers seeking CE mark by performing conformity assessment activities across a range of different instruments, non-active and surgical devices.

You will report directly to the head of notified body.

AS PRODUCT REVIEWER / AUDITOR YOU WILL:

- Assess manufacturer documentation for CE marking
- Plan projects and conduct contract reviews
- Support customers within the regulatory framework (where permitted)
- Guide QMS audits as technical expert
- Manage compliance and regulatory activities related to the notified body

This is a great opportunity to be at the forefront of the newest, cutting edge technology. If you have previously worked in industry, want to widen your product scope instead of being limited to one company, and work from home with limited travel then this could be the perfect opportunity for you.

EXPECTATIONS:

- Bachelor's, Master's or PhD in relevant science or engineering
- 4+ years medical device experience and/or regulatory affairs
- Experience related to design and development of non-active medical devices (e.g. regulatory affairs/ quality/ R&D)
