Senior Recruitment Expert

Do you want to work for a recruitment company that focuses on quality rather than KPIs and quantity? Do you hate the political red tape of big corporations? Do you want to end your day having made a difference?

If your answer is **YES** then we have just the opportunity for you!

the company

Elemed is DEDICATED to recruiting exceptional people in the specialty practices of Regulatory, Quality and Clinical, so patients all over the world can have access to safe, innovative and life changing Medical Devices. From life saving products like artificial hearts to MRI scanners and innovative cancer fighting radiotherapy machines, the people we place truly change lives.

We pride ourselves on being experts in our industry and strive to deliver the best service we can to candidates and clients alike. Led by 2 of the most established recruiters in their field, Elemed has a brand that is present across Europe and a name that speaks for itself.

the opportunity

Now that Elemed is 4 years old we are looking for motivated and energetic people to join our team as a senior recruitment expert. This is a BRAND NEW position where you will have the opportunity to work with some of the top experts in medical devices on an international level; no stepping into someone's old shoes!

Here at Elemed we are big on team spirit. We believe a team that works and plays together stays together, so we offer great benefits such as monthly team nights out, flexi lunches, top billers yearly trip and more!

As Senior Recruitment Expert you will:

- Build and develop your own market sector where you will become the “go-to” person for hiring needs, covering a full 360 role.
- Manage candidates throughout the entire recruitment process, from sourcing to placement
- Give expert advice on interview preparation, CV feedback and assist on future career plans
- Learn from top experts in the medical device industry and develop long-term relationships with key stake-holders and market experts
- Expand and develop your professional network on platforms such as LinkedIn

We are looking for:

- Minimum a bachelor's degree in any subject
- Several years of experience within recruitment.
- Resilient, motivated and hardworking people with a drive to be successful
- Creative, entrepreneurial spirits who can go help take Elemed to the next level
- A culturally aware people person who is confident to work on an international level
- Languages are not a necessity but definitely a bonus!

If you think you can bring any of the above to Elemed we would LOVE to hear from you! Send your CV to tamanna@elemed.eu to be considered.

Good Luck!
