QA-RA

SPECIALIST

Either Home-based UK, Madrid Spain or Gouda Netherlands

THE COMPANY

Join a company with a history of over 100 years in innovation.

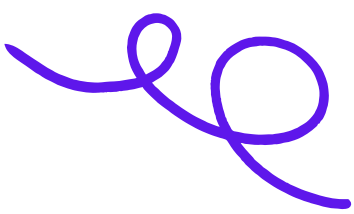
This global leader, with extensive resources in people, technology and partners is at the cutting edge of healthcare and medical imaging solutions such as MRI, Ultrasound and CT scanning systems.
With core values that are people oriented and customer centric, sincere and innovative, this company strives to deliver results which improve the lives of patients in more than 65 countries around the world.

This is an opportunity to work for a company that invests in employee development, in the short and the long term.
You can expect a highly interesting and diversified role in a motivated and supportive team, the chance to be part of a company wide QMS transformation and really make an impact.

THE OPPORTUNITY

In this brand new role as QARA Specialist you will work closely with the Senior QARA Manager to build a new QMS from the ground up thus defining the future of the Quality department.

As well as building a new QMS, you will support regulatory activities such as transition from MDD to MDR and participate in (maybe eventually lead) internal and external audits.



elemed
