

QUALITY SYSTEM MANAGER

Berlin, Germany

THE COMPANY

Imagine a world where doctors, patients and medical devices can all be remotely connected in real time... Imagine a young, dynamic start-up paving the way in this field... Imagine joining that company as a Quality Systems Manager to help them build a QMS from the ground up!

Join a fast-paced start-up who are designing, developing and producing software as a medical device! This is an area that is rapidly expanding in the MedTech industry and with more of the world going digital, it is the place to be.

THE OPPORTUNITY

To support the growth of their Regulatory and Quality division, they are looking for an enthusiastic and proactive Quality Systems Manager to design and implement a QMS.

In this position, you will be reporting directly to the Chief Regulatory/Quality Officer and have the ability to build a crucial part of the business. This is a great opportunity to join a close knit team in a hands-on role with an innovative and exciting product. You can be sure that no two days will be the same!

AS QUALITY SYSTEMS MANAGER YOU WILL...

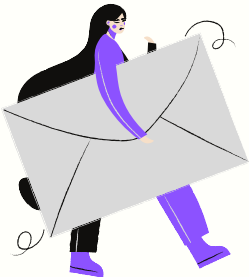

- Be supporting the development, maintenance and improvement of the Quality Management System according to ISO 13485
- Be responsible to generate, review and edit SOPs, and other applicable documentation within the QMS responsibility
- Ensure compliance of all technical documentation according to ISO 13485
- Work cross functionally with members of the medical and technical departments
- Interface between sales, development and regulatory affairs to ensure that a high level of Quality is maintained across the business

AS QUALITY MANAGER YOU SHOULD HAVE...

- Bachelor's OR Master's degree in relevant Engineering or related technical field or equivalent
- Minimum 1 year of experience in Quality Management/ Quality Assurance in the medical device industry
- Hands-on experience with ISO 13485
- Strong written and verbal communication skills in English AND German

If you think you can bring any of the above to Elemed we would LOVE to hear from you!

Send your CV to kristina@elemed.eu for a confidential career discussion.

Good Luck!
